## Experience.

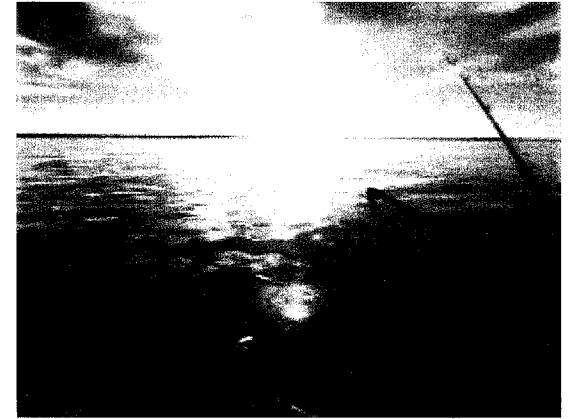

Lake Michigan  
Fishing aboard the  
**Hakuna Matata**

The **Hakuna Matata** is a 30 foot Sportcraft Offshore Fisherman with a stable 10 foot beam. Powered by twin 230 hp Chev V-8 inboards, you will get to the fishing grounds quickly and safely. There is a large, cozy cabin with a private head (bathroom) for your convenience.

The **Hakuna Matata** is equipped with radar, GPS, radio and Coast Guard approved safety equipment for your safety. For fishing we have electric downriggers, quality rods and reels and lures favored by the local fish.

The **Hakuna Matata** operates with a licensed captain for your safety and fishing success. We are a licensed guide in Wisconsin so we can take you to where the best action is.
